Mr. Richard K. Willard
Acting Assistant Attorney General
Civil Division
Department of Justice
Washington, D.C. 20530

Dear Mr. Willard:

Per our telephone conversation, I am enclosing a copy of the proposed National Security Agency bill that would create a civil remedy for the unauthorized disclosure of classified signal intelligence information, and the sectional analysis of the bill. We are currently in the process of examining whether the coverage of the bill can be expanded to include unauthorized disclosure of classified intelligence sources and methods information.

Sincerely,

STAT
